

YMCA Model of Supported Housing Pathway

Accommodation	Staffing	Housing-Related Support	Usual Length of Stay	Examples of Accommodation Managed by YMCA DLG
<p>24 hour supported housing This type of accommodation comprises of single rooms with shared bathrooms and kitchens or studios with ensuite bathrooms and cooking facilities. The accommodation usually includes a communal lounge and/or dining room for general socialising and group work activities. There may also be a garden at the accommodation used for summer barbecues or gardening related group activities.</p>	<p>24hour staffing.</p>	<p>Staff are on site and available, 24 hours a day to support residents in this type of accommodation. In addition to this high level of staff support presence, up to six hours of face to face, one to one housing-related support is provided to residents. This is complemented with a programme of group work, activities, and work and learning support. Young people living in this type of accommodation may have more complex needs and so will often be supported by external statutory and/or voluntary agencies.</p>	<p>One to two years</p>	<p>Horsham Y, Crawley Foyer, Worthing Foyer, Guildford Foyer, Lansworth House, Gareth Stacey House, McKendrick House, Eastbourne Foyer St Patricks</p>
<p>Supported housing: This type of semi- independent accommodation includes single rooms with shared bathrooms and kitchens, self-contained studios and one-bedroom flats. There is usually a small office on-site and there may also be a garden or courtyard area.</p>	<p>Onsite daytime support and mobile night staff.</p>	<p>There is usually an on-site staff presence during the week, the exact nature of which varies between the different supported accommodation projects. Up to four hours of direct or indirect housing-related support is offered to residents, complemented with a</p>	<p>Up to two years</p>	<p>Chris Batten House, Goldstone Villas, Gocher Court</p>

		programme of group work, activities, and work and learning support. Young people living in this accommodation will be on a pathway to independent housing. Many have additional support from external statutory and/or voluntary agencies.		
<p>Transitional housing: This is semi-independent accommodation for young people who have not lived independently before. It includes single rooms with shared bathrooms and kitchens, self-contained studios and one-bedroom self-contained accommodation.</p>	Includes daytime visiting support, supplemented by mobile night staff.	Enhanced housing management, group work support, and signposting to other agencies is provided to residents by visiting staff during office hours.	Up to four years	Various properties in Brighton and Hove, Worthing, Crawley, Mid Sussex, Horsham and Eastbourne and Hastings, leased from private landlords or purpose built
<p>Dispersed supported housing: This is independent accommodation for young people who need less intensive support to sustain a tenancy. The accommodation is comprised of single rooms with shared bathrooms and kitchens, self-contained studios or one bedroom flats.</p>	Includes daytime visiting support and mobile night staff.	A low level of direct or indirect housing-related support is offered to residents complemented by access to groupwork, activities and work and learning support	Up to two years	Various properties in Worthing, Crawley, Mid Sussex, Horsham and Eastbourne
<p>Move on accommodation; Independent accommodation for young people who have the skills and knowledge to successfully manage a tenancy without support. Studios and self-contained one bedroom flats.</p>	Visiting day support if requested.	An opportunity for engagement in groupwork and activities is available for tenants.	Permanent	Social housing or private rented accommodation across all areas
