

CHALLENGE YOURSELF

2020 has been a challenging year to say the least and we're all hoping for a better 2021. Why not get the new year off to a great start by setting yourself a challenge – and help raise money for vulnerable young people at the same time.

Challenge Ideas:

Set your own distance and run, walk, swim, cycle or dance your way into 2021

Ban the chocolate (or anything you choose) – ask people to sponsor you for each day you get through!

Have a brussels sprouts eating competition – losers have to chip in £10
